## Club of Tualatin

### WHO WE ARE

The Rotary Club of Tualatin is a humanitarian service organization dedicated to fulfilling community needs, with a focus on youth. Made up of a diverse group of men and women who either work or reside in the Tualatin area, our club lives Rotary's mission of "Service Above Self" on a daily basis. It is with this common mission in mind that our club strives to better the lives of citizens in Tualatin and around the world.

### WHAT WE DO

Our programs are far-reaching and encompass a wide variety of local concerns, including education, health, and peace. Through the generosity of our club members and members of our community, we run programs year-round that impact many areas of the local community. Read more about Tualatin Rotary in action and some of the programs we support on the back page.

### TRUST TUALATIN ROTARY WITH YOUR LEGACY

Your financial support gives the Rotary Club of Tualatin the means to maintain and expand our community programs and local initiatives. Without your generosity, the programs that greatly impact our kids and adults in the community would not be possible. You can also rest assured that 100% of your commitment will go straight to the programs we believe in and support.

In the end your commitment is not only an investment in the betterment of your local community, but the beginning of a lasting legacy that will be felt now and in the future.

**With your help, we can do so much more!**
